Best route & operational conditions

- Sufficient water depth and width for 16,000TEU vessels (-16m DL project is on going by 2017)
- 2 Terminals with 800mX600m each
- Logistics Complex in Hinterland(640,000m² by 2018)

Lloyd's List Port Services Guide 2017

This latest edition incorporates advertised services from industry leading companies in the fields of Bunker Services, Classification Societies, Consultants and Surveyors, Lawyers and Solicitors, Port Authorities, Ship Builders and Repairers, Stevedores, Ship Chandlers, Shipping Agents, Ship Registries and much more.

The directory is available in this printed format and also online at <http://directories.lloydslist.com/ports/>

This directory will be circulated, seen and continually used by the vast international readership of Lloyd's List – several thousand senior influential Executives in the shipping industry that have major purchasing power for their businesses.

The Lloyd's List Port Services Guide 2017s sits within a portfolio of sister publications such as the monthly Lloyd's List Intelligence magazine and Containerisation International Magazine.

شركة المعاينة البحرية وتقدير الخسائر المحدودة MARINE INSPECTION & LOSS ADJUSTER CO. LTD

Marine Inspection and Loss Adjuster Co. Ltd is another service provider company in our group. The company provides professional services in the field of marine and insurance surveys.

The Protection & Indemnity clubs all over the world as well as insurance companies in the Kingdom and the GCC region utilizes our services for cargo condition survey, Bunker survey, Off-hire and On-hire bunker, condition survey, ship condition, purchase surveys and all other dissimilar surveys associated to cargo damage and loss assessments.

البواردي للمعاينة البحرية ALBAWARDI MARINE SURVEY

Founded in 1983, Albawardi Marine Survey is a leading marine surveyor, loss adjuster and service provider to the PNI club and other underwriters in Saudi Arabia. Our presence in most of Saudi ports enabled us to serve our customers promptly and efficiently.

A team of maritime experts comprising master mariners, naval architects, legal experts and engineers offers world-class services to a growing number of satisfied customers.

Albawardi Marine Survey is a regional pioneer in the field of marine survey since it was established. These activities grew to encompass comprehensive inspection, investigative and inquiry services relating to ships and cargos.

Services include bunker, hull, machinery and classification surveys; damage investigations and assessments; safety inspections and seaworthiness surveys of ships tugs and yachts; cargo loading and discharge supervision; oil pollution surveys; and the inspection of equipment on-board ships and on land in addition to inspection of containers and containerized shipments.
