Welcome to the 2016 edition of the *Lloyd's List Maritime Directory of Shipping Services.*

This latest edition incorporates advertised services from industry leading companies in the fields of Bunker Services, Classification Societies, Consultants and Surveyors, Lawyers and Solicitors, Port Authorities, Ship Builders and Repairers, Stevedores, Ship Chandlers, Shipping Agents, Ship Registries and much more.

The directory is available in this printed format and also online at <http://directories.lloydslist.com/services/>

This directory will be circulated, seen and continually used by the vast international readership of Lloyd's List – several thousand senior influential Executives in the shipping industry that have major purchasing power for their businesses.

The *Lloyd's List Maritime Directory of Shipping Services* sits within a portfolio of sister publications such as the monthly Lloyd's List Intelligence magazine and Containerisation International Magazine.

For additional copies of this directory and/or more information on advertising opportunities in this directory please contact Brian.Waller@informa.com

Ship Builders and Repairers

SCI

Navratna Company
ISO 9001 - 2008 Company

ONE COMPANY - MANY INTERESTS

**PROPELLING INDIA ON
ITS VOYAGE OF GROWTH**

The Shipping Corporation of India (SCI) is India's pride. Especially when it comes to the movement of energy or other critical goods that propel the economy. At every level, the company has devoted itself diligently to professionalism and excellence. Today, SCI specialises in bringing door – to – door services in various sectors through carefully charted out routes in the US, UK and Far East. Growth in these areas are further complemented by SCI's effective networking and active partnerships with some best shipping companies around the world. Thus ensuring a high degree of punctuality and safety in pick – ups and deliveries. Little wonder then that SCI virtually moves India as its number one shipping company and commands respect of a leader in every port worldwide.

Excellent Port Services aims to provide shipping, clearing, forwarding, brokerage, warehousing, transit, inland haulage services to targeted business environments in Ghana and the sub-region. These targets are attainable through a pro-active approach to the candidacy of clients, teaming-up with technology providers, and partnering with reputable local, international and regional expertise these is to reduce risk, improve efficiency, and effectiveness. The size and growth of the market and geographical segments, customer needs, perception, and client behaviour trends have been on the upswing, and are expected to continue in this trend for the next ten years. Excellent port services feels that it is able to fill the vacuum in the clearing and forwarding niche, and will benefit from operations.

Excellent Port Services objectives is to make an equal and fair profit in the business – to – business (B2B) and business to consumer (B2C) marketing services industry with an improved delivery, safety and risk.

Excellent Port Services offers companies, foreign missions, governments institutions, non – governmental organizations(NGO), and individuals, reliable, timely, and cost effective consulting services, international freight forwarding, customsdocumentation [export & imports], warehousing & distribution, inland haulage, consolidation & deconsolidation, door-to-door delivery services, transit cargo management, among others for various purposes.

Why Atlantic Shipping is best for you

When you choose Atlantic Shipping, you are choosing experience and know-how.

With our wide local knowledge and our understanding of what our principals require, we keep owners and operators informed about the status of their vessel – and any changes – throughout the port call.

We work closely with the authorities and the shipping industry to ensure that your vessel is turned round as quickly as possible.

Time and cost efficiency

All communications and data are coordinated through our head office in Port Sudan. Our operations team uses state-of-the-art equipment to provide a quality service at all times.

KEY ADVANTAGES

- 24/7 operation
- ISO and quality management system compliant
- Updated daily report to principals
- Reduced processing time in clearance of final disbursement
- Source of reliable market information
- Dedicated and empowered employees

Marketing services

Online – In print – In person

As a marketer, you need your message to be placed in trusted media where your target audience is most likely to engage with it. That place is Lloyd's List.

At Lloyd's List we take an integrated approach to your marketing campaign:

Online, in print and in person. Lloyd's List will ensure your message engages our subscribers, people who need your products and services.

Results online

At Lloyd's List, we track, measure, validate, and evaluate the second-by-second attention of your target audiences and optimise your campaign as it runs to ensure you get the right results online.

Results in print

The Intelligence Magazine from Lloyd's List is sent to over 10,000 shipping professionals, but we don't stop there; we research how that audience reacts to the adverts you place so together we can optimise your print campaign.

Results in person

The Lloyd's List Awards events engage thousands of senior maritime professionals – in person. We optimise sponsor exposure at each unique venue to ensure the audience is consistently exposed to your brand message.

Let us demonstrate how Lloyd's List marketing solutions can assist your business

ISTC as a leading Firefighting and Marine/Offshore training provider in the Mediterranean offer a wide range of risk management training courses

As well as our STCW Basic Safety (combined) Course, recent additions to our comprehensive suite of accredited courses are the STCW Basic Safety Refresher Course; this training is in accordance with IMO regulations as per STCW code Chapter VI. If serving onboard a ship you are required as of the 1st January 2017 to have documentary evidence of either completing the initial training course or updating with the refresher course within the last 5 years.

We also provide the STCW Advanced Firefighting Course, the syllabus of which covers Section A-V1/3 of the STCW code, covering the following competencies:

- ! Control fire – fighting operations aboard ship ! Organise and train fire parties
- ! Inspect and service fire detection and extinguishing systems and equipment ! Investigate and compile reports on incidents involving fire

ISTC are also able to deliver the following courses:

- ! Security Awareness Training for All Seafarers ! Security Training for Seafarers with Designated Security Duties

Both courses are fully accredited by the Flag Authority of Malta.
