Welcome to the 2018 edition of the *Lloyd's List Maritime Directory of Shipping Services.*

This latest edition incorporates advertised services from industry leading companies in the fields of Bunker Services, Classification Societies, Consultants and Surveyors, Lawyers and Solicitors, Port Authorities, Ship Builders and Repairers, Stevedores, Ship Chandlers, Shipping Agents, Ship Registries and many more.

The directory is available in this printed format and also online at <http://directories.lloydslist.com/services> This directory will be circulated, seen and continually used as a critical reference point by the vast and influential global readership of Lloyd's List – over 12,000 senior Executives across the shipping industry that have major purchasing power for their businesses.

The Lloyd's List Maritime Directory of Shipping Services sits within a growing portfolio of sister publications such as the monthly Lloyd's List Intelligence magazine and Containerisation International Magazine, as well as an extensive range of digital, events and data services products

For additional copies of this directory and/or more information on advertising opportunities in this directory please contact Sunil Sharma sunil.sharma@cheersin.com

Maritime Risk International
Business Intelligence | Informa

Maritime Risk International is the definitive magazine in its field. It provides critical information, keeping you abreast of key issues affecting maritime businesses around the world. Established in 1987, **Maritime Risk International** provides you with detailed coverage of legal, technical and insurance issues facing the shipping industry.

- ▶ Independent, expert advice from leading industry practitioners, organisations and P&I Clubs
- ▶ Spot trends and developments in your industry
- ▶ A broad base of contributors from around the world ensuring full international coverage
- ▶ The latest advice on loss prevention, carriage of goods, salvage, ship security, pollution and maritime law
- ▶ News round-up of all the important risk issues facing the maritime industry
- ▶ Information about the activities of your competitors and their members.

Aljazy & Co. Advocates & Legal Consultants

Aljazy & Co.
Advocates & Legal Consultants

Established
2003

Enrolled
with the
Legal 500
ELA
Member

Aljazy & Co. has distinguished lawyers specializing in various legal fields. Our clients are public and privately held commercial businesses and financial institutions, as well as government and state owned entities, involved in sophisticated corporate and financial transactions and complex dispute resolution proceedings.

Aljazy & Co. is distinguished by the depth and scope of its legal advisory services, and boasts unmatched experience in both national and international arenas. Consequently, we are known for our effectiveness in assisting clients to accomplish their objectives in environments that others find daunting and unfamiliar.

Our location in the region makes it ideal for our team to handle many maritime issues. Being a hub to most countries in the region, marine and other modes of transportation of imports and exports disputes will be best conducted, settled and recoveries made through our team of experts of maritime law and insurance.

Web site: www.somatime.ma

We, Somatime Agadir was founded in 1958 in Agadir, Morocco with 50+ years of expertise and the aim of becoming one of the most reliable shipping Agent in the global market. Since then the company's team of expert staff have enabled it to best serve the needs of our clients by determining the most feasible methods.

An in house drive to continuously improve the quality and reliability of the services offered to clients is of paramount importance. This is insured via a well-established and reliably linked network of dependable agents in all the principal countries. Therefore, Somatime Agadir Shipping Agency is able to assist clients thoroughly with timely and accurate preparation of documentation, satisfying all the requirements of customs authorities here in all Morocco ports.

Somatime Agadir licensed by the Government of Morocco to act as Shipping Agents & Marine Suppliers in Morocco ports and conduct all ship related business.

Shipping professionals who have vast marine experience in their respective fields runs the company. We are committed and dedicated to provide best services and quality of work to our clients for their entire satisfaction, we assure the excellence of our service, fair and reasonable price at more cost effective as per our clients requirements.

The staffs are well versed with port operation and work closely with stevedores for planning efficient stowage & discharge of cargoes, and controlling requisite availability space on quay & trucks, etc to ensure speedy dispatch of vessels.

The company enjoys excellent relations with government agencies like Port / Customs higher authorities.

OUR SERVICES INCLUDING BUT NOT LIMITED TO:

- I. Morocco ports Marine agent and Transit Agent
2. Cargo claims handled by the Operations Department of the company's management section.
3. Securing cargo inward & outward of Morocco through the company.
4. Assisting vessels with hold/tanks inspections, cargo, on-hire/off-hire and other surveys.
5. Garbage & slop disposal.
6. Bunker Supply
7. Crew Manning, Change and Repatriation
8. Owners Protective Agency
9. Delivery Voyages (Voyage and Demolition)
10. Securing cost effective stevedoring, and high quality ship repairs & supplies, and other Services.
- II. Any other service required in the interest of the ship owners or valued clients.
