Lloyd's List Port Services Guide 2020
Established in 1988 in Manila, Philippines, International Container Terminal Services, Inc. (ICTSI) develops, manages and operates gateway ports in the Asia Pacific, Americas, Europe, Middle East and Africa.

Starting with the privatization of the Manila International Container Terminal, ICTSI’s current diverse portfolio includes capacity expansion projects and greenfield investments in developed and emerging markets.

ICTSI is an acclaimed private sector partner of governments requiring high-performing, profitable ports.

More important is ICTSI’s distinct neutrality. As an independent business with no shipping, logistics, or consignee-related interests, ICTSI offers the same level of service excellence to every port community stakeholder.
